Title: Bear Mountain Bridge Deck Replacement - Design
Agency: Bridge Authority, NYS
Division: Engineering
Contract Number: BA-2024-RE-105-DE
CR Number: 2110598
Contract Term: October 31, 2025
Date of Issue: 05/31/2024
Due Date/Time: 07/12/2024 3:00 PM
Questions due by noon on Friday, June 28th, 2024
County(ies): Putnam, Rockland
Location: Bear Mountain Bridge, Fort Montgomery, NY
Classification: Construction Horizontal: Highways & Roadways; Maintenance, Repair & New Construction - *Construction Professional Services*
Opportunity Type: General
Entered By: Teresa Ceragioli
Description: The New York State Bridge Authority (NYSBA) is soliciting proposals from firms of licensed professional engineers to design a deck replacement for the Bear Mountain Bridge. The bridge is on the National Register of Historic Places and requires a substantial SEQRA and SHPO review. All SEQRA and SHPO tasks as well as all necessary permit pre-applications are a part of the assignment.

The Bear Mountain Bridge is a 2,555 foot long suspension bridge, carrying NYS Routes 6 and 202 over the Hudson River, located approximately 35 miles north of New York City. The bridge was opened in 1924 and was redecked in 1976 and supports two (2) 12 foot lanes and two (2) 7 foot wide shoulders.

Work will involve evaluating 3-4 deck replacement systems for use on this project, including panelized or modular deck replacement systems. It is the intent of this project to provide a new deck and existing stringers and floor beams with an HS25 load rating a fifty (50) year expected life service.

The successful proposer shall demonstrate to NYSBA a successful history of similar performances for operators of bridges of the type and size of NYSBA's

facilities.

To request the entire RFP package, please contact Teresa Ceragioli, Assistant to the Chief Engineer, at tceragioli@nysba.ny.gov with your complete contact information.

Service-Disabled Veteran-Owned Set Aside: No
